**Reprimand:** As a Noncommissioned Officer in the United States Air Force, you are expected to epitomize the highest level of professionalism and ensure the Electronics and Environmental (E&E) shop retained a culture of dignity and respect. Rather than uphold those expectations, you failed to maintain professionalism in the workplace. You did not treat subordinate Airmen with dignity and respect when you verbally abused them, referred to them with derogatory terms, and pointed a pocket-knife at them. Your misconduct was of a nature that erodes good order and discipline. I hope you take the necessary time to reflect on your actions and the effects on the Airmen in the E&E shop while you were the Section Chief. In the future, I expect you to maintain dignity and respect to all Airmen and maintain the highest level of professionalism.

This judgment reflects the result of the court-martial, as modified by any post-trial actions, rulings, or orders, if any, and is hereby entered into the record on 15 November 2021.
