Reprimand: You are hereby reprimanded! Driving under the influence is incompatible with military service and completely intolerable. Your behavior falls far below the basic standards of conduct expected of every servicemember. Your willful decision to operate a vehicle after consuming alcohol is an abomination to good order and discipline. What is worse, you choose to drive under the influence of alcohol twice in the span of just four days. Your blood alcohol concentration was 0.282% at Peterson Space Force Base, Colorado Springs, Colorado and 0.217% at Buckley Space Force Base, Aurora, Colorado. That is more than two and half times the legal limit in both cases. Not only did you put yourself in danger, you put every single driver and passenger in your path from Buckley Space Force Base to Peterson Space Force Base in danger. Finally, after being stopped by Peterson Space Force Base law enforcement under the suspicion of drunk driving, you continued your dishonorable behavior by disrespectfully speaking to the responding officer in a manner unbecoming an officer and a gentlemen. You have disgraced the Department of the Air Force, your unit, and yourself.

This judgment reflects the result of the court-martial, as modified by any post-trial actions, rulings, or orders, if any, and is hereby entered into the record on 19 June 2023.
